

Farm Bureau Deal

Idaho Farm Bureau members receive a 10% discount when signing up for a air ambulance membership.

How does it work? (Nutshell Version)

Members contact one of the air ambulance providers, indicate they are Farm Bureau members, and then pay 10% less when sending in their check with their enrollment form.

Other Information / (Broader Version)

Transferring Membership

St. Als, St. Lukes, and Portneuf honor each other's memberships. Likewise, Air Idaho Rescue and Portneuf honor each other's memberships. Some out-of-state air ambulance services also have reciprocal agreements with these providers. There are also other air ambulance providers in Idaho that do not have reciprocal agreements with these companies. Be aware that you may require an air ambulance at a time, and from another organization, that is not part of this program.

Signing up

Call the individual carrier to purchase a membership. Make sure that you **introduce yourself as an Idaho Farm Bureau member** to get your 10% discount. The discount is available on 1 and 2 year memberships only.
