

Farm Bureau Deal

Farm Bureau members can save \$3 to \$30 a day on a vehicle rental.

How does it work? (Nutshell Version)

Members can use the discount codes on the web at www.avis.com or by calling (800) 331-1212 for AVIS using discount number A298812 (AWD# on the website).

How to make a reservation

You can use the discount codes on the web at www.avis.com or by calling (800) 331-1212 for AVIS.

Online Instructions: www.Avis.com

Step 1: Place all of your reservation information on the first page and press "Continue To Next Step".

Step 2: Under the Rate/Discount section, select “Check my corporate rate” and then type A298812 in the AWD box. Corporate rates will then appear. Farm Bureau discount prices will now be shown instead of regular prices.

Disclaimer: Corporate discount rates will be the lowest price almost every time. However on occasion, there may be times that a franchised location will have too many unused rentals on their lot and will be forced to low-ball a rate below a corporate rate. We advise our members to check out the regular prices, compare that to the Farm Bureau corporate rate, and take the best deal.
