

American Hearing Benefits

Farm Bureau Deal

FB members receive a discount on hearing aids produced by American Hearing Benefits (AHB), the only major American owned manufacturer of custom built digital hearing instruments worldwide.

How does it work? (Nutshell Version)

Members call a national number where they are identified as Farm Bureau member. They are then referred as a discount customer to a local Idaho provider.

How does it work? (Broader Version)

Members can simply follow three steps:

Step 1: To begin the process, simply call the AHB Hearing Network at its toll-free Hearing Hotline at 1-866-925-1287. They will simply validate the discounts you are entitled to and refer you to one of their local providers here in Idaho.

Step 2: The local provider will provide a **FREE** complimentary hearing aid screening to determine if hearing correction is indicated. If hearing loss is detected, a hearing aid professional will assist you in choosing a hearing aid best suited for your specific needs.

Step 3: If a purchase is made, the discount will be applied at the time of purchase. No prior authorization is required.
