Farm Bureau Deal

Farm Bureau members are entitled to discounts on vision services or products using the Coast-to-Coast system.

How does it work? (Nutshell Version)

Members identify an eye care provider that participates in the Coast-to-Coast program and then depending on what is purchased, receives a discount at the cash register using **Farm Bureau Coast-to-Coast group number - #102.**

Other Information? (Broader Version)

All Farm Bureau members are entitled to discounts on vision services or products using the Coast-to-Coast system. Members can simply follow three steps.

- Step 1:** Identify a participating provider in your area by looking at the list below or (for the newest information) calling 800-800-7616 or by going to www.coasttocoastvision.com for most updated information.
- Step 2:** **“Very Important”** Just to make sure, give the vision provider a call and confirm that they are a participating Coast-to-Coast provider and ask what specific discounts are included.
- Step 3:** Remind cashier of your discount when paying. There shouldn't be any additional forms to fill out. You simply get the discount (kind of like having a coupon).
