Step 1: Go to the website www.countryconnect.us or toll free number [800-362-3276](tel:800-362-3276) and sign up for FB connection long distance services.

Step 2: Make state-to-state calls for only 4.9 cents/minute.

Step 3: (Easy Dial Option) Make in-state long distant calls by first dialing (866) 439-3425 before the phone number and watch that rate drop from 8.9 cents/minute down to 4.9 cents/minute as well.

Billing is done according to 6-second increments.

Many years ago there were quite a few geographic areas in Idaho that could not register for these services. Today almost all of Idaho's areas are able to participate.
