Farm Bureau Discount RX Card

Idaho Farm Bureau members can get contracted rates for thousands of prescription drugs. While this is NOT an insurance program, it is a free program to Idaho Farm Bureau members and has the potential to save money through 153 local Idaho pharmacies.

Does this program guarantee I will save money on my specific prescriptions? Perhaps. It really depends on which prescriptions you use and what program, card, or coverage you already use to pay for your prescriptions. At Farm Bureau, we are simply offering you an additional path for your use to see if you can save any additional money on your prescriptions. The best part about this program is that members can quickly run a price check that only takes a few minutes and does not require filling out a series of lengthy forms.

Call 208-239-4289 or go to Farm Bureau's website to see a list of participating local pharmacists. Next, call a local participating pharmacist and give them the following three items of information and ask for a price quote.

Program Name: **UNA RX Card**

Rx BIN #: **310709** Rx Group#: **FBRXID**

Ask them to confirm actual pricing. If your pharmacist has any questions they can call a pharmacy help line at 1-877-321-6755 for assistance.

If the pricing for your prescription is less than what you already pay, print off a personalized pharmacy Farm Bureau card, take it to that pharmacist, and receive the discounted contracted rate. That's all there is to it!

**DEER VALLEY
RESORT[®]**

Through an agreement with the Utah Farm Bureau, members of the Idaho Farm Bureau can now purchase discounted tickets to some of the most popular ski resorts in Utah. **Members can save around \$20 - \$25 per ticket.** These resorts often change their daily rate depending on snow levels. Sometimes the first week or two of the season passes may actually be less expensive than the Farm Bureau price - but again this depends on daily snow levels.

Prices Winter 2011-2012 Ski Season (For Farm Bureau Members Only):

The Canyons \$68.00 Park City Mtn Resort \$67.00 Deer Valley \$68.00

Idaho Farm Bureau members can make arrangements for adult ski passes by calling the Utah Farm Bureau at **801-233-3010**, Visa/MasterCard accepted, or by mailing a check for the number you need to Utah Farm Bureau Federation, **9865 South State Street, Sandy, UT 84070, Attn: Aurline Boyack** or members can go directly to the 9865 South State Street address in Sandy and pick them up Monday through Friday from 8 a.m. until 4 p.m. These discounts are for Farm Bureau members only and members should have their membership # when they order passes/vouchers. If members need their membership number, they can call 208-239-4289 to receive that information. These passes are not dated so they can be ordered well in advance of anticipated use. They are, however, non-refundable.

Actual email received by the Farm Bureau Member Benefits Department:

I just wanted to share my success story that I had with the Sears Commercial benefit from my Federation discount. I'm remodeling my kitchen which means new appliances. My husband and I were able rack up savings of about \$700.00 off the list prices of our appliances.

On top of this savings we are also getting a nice sum of cash back as a rebate from Sears Commercial. The process was simple and the shipping very affordable (\$65 total). I just wanted to let you know that I found great value in this benefit and thanks for the work you do coordinating these benefits!

Thanks!

Erica Catt
