

Farm Bureau Deal

Farm Bureau members save 10-20% off of monthly membership whether they are new or already members at Gold's Gym. This applies to Idaho locations. New members will also receive \$0 or waived enrollment.

How does it work? (Nutshell Version)

Members simply present their valid Idaho Farm Bureau membership card to the participating Idaho Gold's Gym.

Important for existing members: Gold's Gym system is now set up to give us the discount. However, any time an existing member make changes to their rate for any reason, some gyms may them a standard one-time fee of \$35. If you do the math, that may or may not be a savings in the first year depending on the member's monthly rate. However, it will still result in a savings over a couple of years and for all subsequent years.

Also, some gyms may not allow this promotional discount to be combined with a existing promotion. Please contact your local Gold's gym for more information.
