The Original Hells Canyon Adventure awaits you this spring, summer, or fall. Your original Hells Canyon Adventure is available 7 days a week April thru September. You can book online, contact us by phone, or email all year long.

Your Hells Canyon Adventure will begin long before you reach the jet boats. Your senses will awaken as you travel through the natural landscape which remains mostly undeveloped, undisturbed and uncrowded; where the air is still fresh. Allow extra time to stop at the viewpoints for wildlife sightings and see the geological formations.

Hells Canyon Adventures is the only licensed outfitter that offers jet boat tours or fishing charters that start at the South Entrance. The South Entrance of Hells Canyon is where the elevation is over a mile and half deep.

Easy access from Oregon or Idaho to the South Entrance of Hells Canyon: (1) Highway 71 from Cambridge, Idaho (2) Highway 86 from Baker City, Oregon (3) USFS Road #39 from Wallowa Lake/Joseph, Oregon. All roads lead to the famed "Devils Tail," the last 22 miles from Oxbow to the Hells Canyon Dam.
