Parameters For Multiple Days or Bounce Back Promotion Using Farm Bureau Discount Tickets:

All members need to do is get their ticket validated once they enter the park on their first day. There are validation stands that are set up that they will give them information, then a ticket will be printed for them for \$8 to use to come back a second day under the bounceback promotion. If members do not validate their ticket sometime during their first day, their ticket will not be valid for the bounceback option. **Check with Lagoon for eligible bounce back days.**

Please remind non-Farm Bureau members that they may want to consider signing up for a Farm Bureau membership if they are going to Lagoon this year. Buying 5 tickets will basically pay for their annual fee and then they can use the rest of the discount benefits for the next 12 months.
