

Farm Bureau Deal

Idaho Farm Bureau members have a free option to use when comparing prescription discounts.

How does it work? (Nutshell Version)

Members identify a participating pharmacy, get a price quote using **New Benefits Pharmacy ID # 142407524 - Group #83201 or 83201A**, and then take the deal if it is cheaper than any other option that they have.

All Farm Bureau members are entitled to discounts on prescriptions using the New Benefits system at no cost. Members can simply follow three steps.

- Step 1:** Identify a participating provider in your area by looking at the list below or (for the newest information) calling 800-800-7616 or going to www.passkeysolutions.com.
- Step 2:** **“Very Important”** Just to make sure, give the pharmacist a call and confirm that they are a participating New Benefits provider and ask what specific discounts are included on the wanted prescription.
- Step 3:** Print off a copy of the card below and take to the pharmacist.
