Commercial

Farm Bureau Deal

Members now have the opportunity to purchase appliances and other big ticket items such as plasma screen televisions, mattresses, and garden supplies directly from a Sears distribution center. **Because members are ordering under the Farm Bureau umbrella as a commercial account, the savings can be quite significant.** This program is NOT available through Sears retail stores.

How does it work? (Nutshell Version)

This is the best part. It's easy and involves no lengthy sign up process. Basically, all a Farm Bureau member has to do is find the item they are interested on sears.com or at a Sears retail store and write down the model number. Next, they send an email to Farm Bureau's designated contact (Bill Gillette at wgill03@searshc.com) and provide the following information.

1. Member's name
2. Their Farm Bureau membership number
3. Idaho Farm Bureau code **CU068062**
4. Name & model # of item(s) they are interested in.

In a couple of days, Bill will then send an email back to the Farm Bureau member with a discount quote. Farm Bureau members can take it or leave it. It's that simple. If the price is right, then they simply contact Bill again and a member of his staff will process the order using a credit card and the item will be delivered via a custom freight company. *It should be rare that anyone can beat the quote you will receive. If you are aware of any sale or promotion that beats a Sears Commercial quote for your specific product, please let Sears Commercial know about this.*
