dbp DENTAL BENEFIT
PROGRAM

Easy as 1-2-3

Step #1:

Idaho Farm Bureau members go to www.dentalbenefitprogram.com, click on **Get Started NO COST** and order a membership card using **Group# IFBF**. A specific **patient ID#** will be generated and a card will arrive in the mail. Members should order an individual card for each spouse (dependent children may use their parents' card).

Step #2:

After receiving a patient number, a member may return to the www.dentalbenefitprogram.com and login to their account using their group and patient number. They can then locate a participating dentist in the CoOp and check current contracted rates for all eligible services.

Step #3:

After checking out rates, interested members may contact a participating dentist and make an appointment taking their dental card with them when they go. Members are responsible for full payment, which is due at time of service.
