

LifeStation

The 2017 Farm Bureau Deal

The general public pays \$29.95 per month

Farm Bureau members pay \$25.95 (Save \$48 per year)

Farm Bureau members have an exclusive 30 Day Money Back Guarantee! (Not available to the general public!)

LifeStation has expanded its product offering to provide Farm Bureau members access to a medical alert solution.

Service	Cost Per Month
In-Home Landline	\$25.95
In-Home Cellular	\$33.95
Mobile with GPS	\$42.95
Fall Detection Pendant	\$7.00

There are no upfront fees and we cover the shipping cost to members. The monthly rates listed are all-inclusive of equipment and monthly monitoring.

How does it work? (Nutshell Version)

Members can find more information and order service by calling (877) 288-4958 or by visiting www.membersmedicalalert.com. Members can also call their local county office or call Joel Benson at 208-239-4289.

Other Information/ (Broader Version)

Equipment

Simple 5 Minute Setup

Your system comes complete with an easy to follow self-setup guide. In 5 minutes or less you will have your LifeStation connected and ready to use.

Voice to Voice Communication

Your LifeStation system is equipped with a two-way voice capability that allows you to communicate with our Care Specialists from virtually anywhere in your home. Super-sensitive and highly reliable, voice to voice communication gives you the greatest coverage area possible in the event of an emergency.

Up to 400 Feet Open Air Range

The LifeStation help pendant has a range of up to 400 feet. It should provide coverage throughout most homes.

Waterproof Help Button

Your help pendant is waterproof so you can wear it while performing all of your normal chores, even around water.

3 Help Pendant Attachments (Free of charge)

With the LifeStation system, all that you need to wear your help pendant in one of 3 ways — as a necklace, a wristwatch or a belt clip — is included.

Automatic Weekly Test Timer

The LifeStation system automatically checks in to the LifeStation monitoring center each week, assuring that your system is connected and ready to work when necessary.

Up To 32 Hours Of Standby Power

In the event of a power loss, LifeStation will continue to operate since its built-in battery provides up to 32 hours of standby power.

Speaker Phone Feature

Simply press your help pendant when you are receiving an incoming phone call. You will instantly be able to communicate via the convenient LifeStation speaker phone feature. Who says you need to pick up the phone to take calls?

UL Listed Console

The toaster, iron and oven in your house are all UL Listed for safety; this certification provides the peace of mind that the product is safe for everyday use. Your medical alert console should meet these same high standards and LifeStation's does.

Cost

Less than \$0.85 a Day

Medical alert systems are a cost effective way to provide safety and security in your own home. Any medical alert system that costs more than \$1 per day is charging you more than they should. Also, be wary of deals that sound too good to be true (less than \$24 per month) as they are either hiding costs or not providing the quality service that you need to be protected in the case of an emergency.

Monitoring Service is Your Only Cost

Unless you arrange for additional services your monthly monitoring fee will not change during your time with LifeStation.

Month to Month Agreement

You are never required to sign a long-term contract with LifeStation as you might with other providers. With LifeStation, you may cancel at any time with 30 days notice. Farm Bureau members have access to an exclusive 30 day money back guarantee.

Free Expedited Shipping

LifeStation includes shipping anywhere in the United States at no extra cost to you. All orders placed before 2 PM EST are shipped the same day via UPS Ground.

Free Return Shipping of Equipment

When you no longer require the LifeStation system, simply contact us. We will pay for the return of the LifeStation system.

Credit Card & EFT Payments

LifeStation gives you the option of paying with a major credit card (Visa, MasterCard, Discover & American Express) or through Electronic Funds Transfer.

Service

BBB A+ Rated

Based on BBB files, LifeStation has a BBB Rating of A+ on a scale from A+ to F. The BBB rating is based on 16 factors including length of time the service has been operating, complaint volume, complaint resolution procedures and the companies advertising practices.

24/7 Customer & Tech Support

Around the clock, LifeStation provides technical, supervisory & operational staff to meet your needs. Whatever situation may arise, our highly skilled employees will be there.

We Pick Up The Phones...NOT Machines

Every call to LifeStation is answered by a live person. No machines, no automated attendants, no call backs. Customer service begins and ends with knowledgeable, friendly staff there for you at all times.

System Repair / Replacement Included

Your LifeStation system has repair/replacement service included. We will replace all defective or malfunctioning parts immediately for as long as you stay with us. No charge for parts, repair, or shipping & Ever!

Please remind non-Farm Bureau members that they may want to consider signing up for a Farm Bureau membership if they are considering a medical alert. The amount they will save with a Farm Bureau member discount will pay for their annual membership dues!
