LifeLock Privacy Monitor™ Tool

The LifeLock Privacy Monitor tool provides reduced public exposure of your personal information to help you keep your private information private.

LifeLock Identity Alert® System

It's the foundation for all LifeLock services. We send alerts through the patented LifeLock Identity Alert system by text, phone, or email and our Identity Restoration Specialists are there to help.

† LifeLock does not monitor all transactions at all businesses.* Fastest alerts require member's current email address. Phone alerts made during normal business hours.

Address Change Verification

Identity thieves try to divert mail to get important financial information. LifeLock lets you know of changes in address requests linked to your identity.

Identity Restoration Support

If your identity is compromised, a Identity Restoration Specialist will personally handle your case and help restore your identity.

Black Market Website Surveillance

Identity thieves sell personal information on black market websites around the world. LifeLock patrols over 10,000 criminal websites and notifies you if we find your data.

Stolen Funds Replacement‡

If you're ever a victim of identity theft, LifeLock protects your hard earned money with dollar for dollar reimbursement for lost funds up to \$25,000. This includes everything from fraudulent bank and investment account withdrawals to tax returns filed in your name.

\$1 Million Service Guarantee‡

If you become a victim of identity theft while a LifeLock member, we'll spend up to \$1 million to hire the necessary lawyers, accountants and investigators to help your recovery.‡

‡ Stolen Funds Replacement and Service Guarantee benefits for State of New York members are provided under a Master Insurance Policy issued by State National Insurance Company. Benefits for all other members are provided under a Master Insurance Policy underwritten by United Specialty Insurance Company. Under the Service Guarantee LifeLock will spend up to \$1 million to hire experts to help your recovery.
