Farm Bureau Deal

Farm Bureau members receive a \$5 discount (round trip) or a \$2.50 discount (one-way) using Salt Lake Express.

Prices may vary depending on time of day.

How does it work? (Nutshell Version)

Members simply make a reservation at www.saltlakeexpress.com and use code **farmbureau** for all Idaho locations. Price automatically drops to include the discount.

Other Information/ (Broader Version)

How to make a reservation

The \$2.50-\$5 discount applies only to “**ONLINE**” reservations. Members may call **208-656-8824** to make a phone reservation, but will not receive the Farm Bureau discount.

So, how do you find the price or availability of a shuttle at www.saltlakeexpress.com?

1 - Simply select the "Search Schedule" tab on the home page.

2 - Select the following:

a - the desired departure and destination locations

b - the dates of travel

c - the number of passengers (in each appropriate age category)

d - Type in code **farmbureau** for all Idaho locations.

3 - Click the button at the bottom that says: "Next: Select Schedule Time".

On the next page you can view the shuttles available and their price without making a commitment to travel.

From this page, you can also go to the next or previous day to compare pricing and check availability.

Only when you select the desired shuttle(s) from this page and submit your payment information will a reservation actually be made.

See next page for all locations.

Shuttle luggage space:

We plan on a reasonable amount of luggage on each shuttle. If you will have more than two (2) suitcases and a carry on, you need to call the office to make sure we will have room. If you show up with more than this, we will accept it on a space available basis. Also, you may be charged \$10.00 per suitcase or box over the two (2) suitcases allowed.

For the Logan route,
Brigham City is a
recommended Rest Stop but
is not mandatory.

Five out of the twelve
Logan runs are Greyhound
runs (See Greyhound
Connections Page.) The
Greyhound Depot is
mandatory for both the
Greyhound runs and on the
other routes.

Only the Greyhound runs
will stop at the Ogden
Greyhound Depot.
